Dear Ms. Ting,

I am pleased to support World Unity, Inc.'s landmark tower of equality project, which has been proposed for Children's Wharf Park in Boston's Seaport District.

World Unity, Inc. has a powerful message of celebrating the global diversity that is reflected in Boston's numerous communities. This landmark will promote tolerance and inclusion for all who visit it, and I strongly believe that the landmark will further organization's mission of a more unified world.

I applaud World Unity, Inc.'s efforts and wish them the best of luck as the project moves forward.

Regards,

Michael F. Flaherty
