Dear Ms. Ting,

I am writing this letter to offer my full support for your mission to promote racial and ethnic harmony throughout the City of Boston through the building of the World Unity Landmark.

World Unity, Inc. has worked diligently on advancing social, racial, and ethnic equality throughout Boston. Over a decade ago, the City Council publicly supported the organization's efforts and I am proud to say I was part of that support. I continue to stand by World Unity, Inc. The chosen site, in Boston's Seaport District, is home to some of the most innovative businesses in the City that will influence generations to come. The landmark will be seen by the over 500,000 visitors to Boston Children's Museum. The area represents a harmony of old and new ideas in Boston. It seems only appropriate that the World Unity Landmark, which promotes ethnic and racial harmony, be located in the area.

I thank you for your hard work and perseverance. If my office can be of any further assistance, please do not hesitate to contact me at (617) 635-4376.

Sincerely,

Stephen J. Murphy  
Boston City Council, Councilor At-Large
