Dear Ms. Ting:

I am writing in full support of the World Unity Landmark and its planned construction at Children's Wharf Park in Boston's Seaport District.

I am grateful to World Unity, Inc. for the extraordinary leadership and perseverance that they have demonstrated for so many years in spreading their message of equality, diversity, and inclusion. The World Unity Landmark will benefit the global community as well as the City of Boston, bringing us one step closer to World Unity, Inc.'s vision of eliminating all forms of prejudice, biases, and discrimination. I believe that Children's Wharf Park will serve as the perfect home for this landmark, with the nearby Boston Children's Museum already attracting approximately 500,000 visitors each year.

In the future, I hope that World Unity, Inc. will continue their mission with a brilliant tower in Children's Wharf Park to light the way.

Sincerely,

Matt O'Malley
