Ms. Sara Ting
President
World Unity, Inc.
2 Eliot Place

Dear Ms. Ting:

It is with great pride and excitement that I extend my support of the commencing construction of the World Unity Landmark in the Boston Seaport District's Children's Wharf Park.

World Unity Inc. embodies a mission that transcends the limitations of prejudices, discrimination, and biases in the name of cultivating a united coexistence among all of humanity. The landmark slated to stand in our city of Boston will be a beacon to the rest of the world that a commitment to the fight for equality, justice, and diversity is one that does not fade or falter, but prevails. It is a privilege to witness the entrance of the World Unity Landmark into the Children's Wharf Park and surrounding Seaport District, an area which was conceived and executed with ideals of discovery, learning, and collaboration in mind. It is with no shadow of a doubt that I express my sincerest support and congratulations for the World Unity Landmark as it has found not just a location here in Boston, but a home.

May World Unity, Inc. stand as tall as its symbolic tower in its ongoing mission to bring peace and justice to the global community.

Sincerely,

Ayanna Pressley
At-Large Boston City Councilor
